

November pet treat news

Is it really November already? Where has the year gone? This year has flown by - so many markets, so many new products, and our online shipping has been busier than ever.

Lamb treats

Lamb treats are extremely popular for cats and dogs.

- [Lamb crumble](#) - our lightest treat in terms of weight and fat. Whilst some products may have a lower fat percentage per 100g, the light weight and easy breaking of the lamb crumble means you feed far less fat to dogs. It's our go-to for pancreatic conditions.
 - **NEW** [Lamb liver](#) - from 100% Australian Lamb; an all-natural, single-ingredient product containing no preservatives, no additives, and no added sugar. Lamb liver is the perfect treat as it contains many different vitamins and minerals.
 - **BACK** [Lamb ears](#) - an all-time favourite small chew, ideal for teething puppies and for smaller dogs. They've been out of stock for way too long, but we managed to secure a limited supply for you!
-

More fishy things!

Dogs and cats love our 100% Australian sustainably-caught seafood range

Full of essential oils and nutrients, with a flavour our pets adore.

- **NEW** - [salmon chew](#), simple delicious whole salmon tails—a nutritious chewy snack perfect for all dogs, and packed with nutrients and essential oils

- **NEW** - [squid](#), just like the calamari you order for yourself, but carefully dried to make a delicious snack for your dogs
- [fish bites](#), a light and easy one-bite crunch your pets will keep coming back for. Packed with lots of yummy fish, they're also great for using in boredom buster or treat toys
- [fish jerky](#), just dried Australian mackerel, is a great small chew, being a mixture of tough outer skin and a meaty centre
- [fish twists](#), cartilage with mackerel jerky wrapped around - a good chew
- [sardines](#), light and crunchy, sardines are a favourite for smaller dogs and for cats

We've just negotiated a supply of exciting new dried seafood products - watch for our announcement next month!

Bone Marrow CHOMPS

Our marrow chew [Chomps](#) are an extremely popular, long-lasting chew.

Chomps are great for teeth cleaning and for your dog's health. 100% Australian-made in a patented six-week drying process, they're available in [beef liver](#), [peanut butter](#), or [goat milk](#).

Single-ingredient pet treats

Many of our treats are just that: a pure single ingredient with nothing added. Our website to make it easy to shop for these - just click on [Single Ingredient](#) on the menu.

Christmas is coming!

Once again, from early November we'll have our popular dog Christmas cookie packs.

Containing four peanut butter-base cookies in various Christmas-themed shapes, these will delight your dog and are a perfect gift.

[Check our website for stock!](#)

Can you help us with a

[Google review](#)?

Google doesn't recognise our web store reviews, which slows our search results.

[Google reviews](#) will help more people find us online, and we'd love that

Where to buy

Markets

- Every Saturday morning: [Capital Region Farmers Markets](#)
- Sat 25 November - [Hall Village Christmas Fair](#)
- Sun 26 November: [The Yass Railway Museum Artisan Markets](#)

Other Sunday markets vary throughout the year, and we're looking for some new markets to attend. Drop us a line if you know of any.

Retail stores

- [The Malbon](#), 2 Malbon Street, Bungendore, stocks a select range of our treats.
- Mitchell ACT, coming early 2024!

We're looking for additional retailers to stock our treats.

We're working to bring you more high-quality treats, especially some [novel protein](#) options. If there's something you'd like us to consider, please get in touch.

On behalf of my awesome team—Mia, Niamh, and Angelina—and our resident taste-testers—Ginni and Hayley—we're so grateful to each and every one of you (and your pets) for choosing our 100% Australian pet treats! We hope our treats continue to bring smiles to you and your pets.

Andrew
