

## September pet treat news

Hello everyone

Have we left winter and moved into spring yet? It certainly feels like it here, but Yass has a way of throwing us more minus mornings through September, so we won't put the jumpers away just yet!

### Bugs!

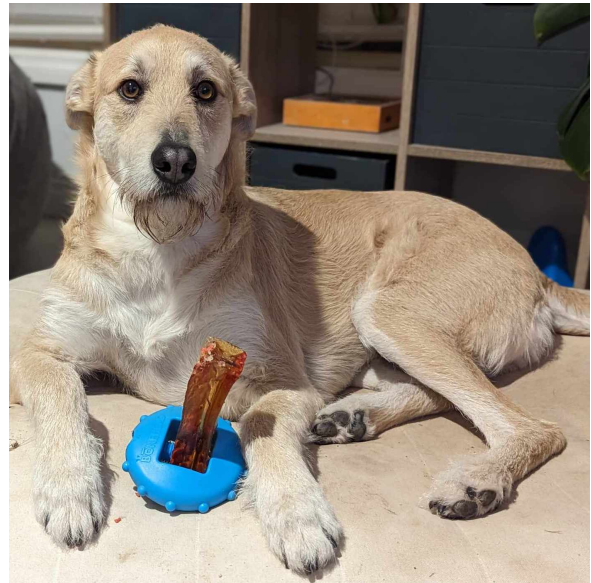

Our [Black Soldier Fly larvae - Bugs!](#) are extremely popular with chickens. Highly nutritious and with more calcium than mealworms, they're a perfect treat for your egg-laying ladies.

### New treat: Chomps

Marrow [Chomps](#) are a long-lasting treat. A Xoloitzcuintle customer, *Bean* (pictured) enjoys a nibble each evening it's still going a week later. and our resident lab tester, *Ginni*, averages 1hr 20min for one.

Chomps help clean your dog's teeth and have brilliant benefits for your dog's health. 100% Australian-made and available in [beef liver](#), [peanut butter](#), [goat milk](#), or [bacon](#) flavours.

## Duck

Our 100% Australian **duck** [jerky](#), [wings](#), and [feet](#) are proving to be very popular. As a novel protein, they're great for dogs avoiding common allergens.

## Single-ingredient pet treats

Many of our treats are just that: a pure single ingredient with nothing added. Our website to make it easy to shop for these - just click on [Single Ingredient](#) on the menu.

## Where to buy

### Markets

- Every Saturday morning: [Capital Region Farmers Markets](#)
- Last Sunday of the month: [The Yass Railway Museum Artisan Markets](#)

Other Sunday markets vary throughout the year; we are looking for some new Sunday markets to attend. Drop us a line if you know of any.

## Retail stores

- [The Malbon](#), 2 Malbon Street Bungendore, stocks a select range of our treats.

*We're looking for additional retailers to stock our treats.*

## Weekly specials

Each week we'll choose an item or two for our weekly special, usually \$2 off - at markets and on our website.

Make sure you follow us on [Facebook](#) and [Instagram](#) to see what specials we're offering.

If you're after bulk treats, our sister store, [Pet Treat Warehouse](#) has you covered! Pet Treat Warehouse has a range of our Australian-made single-ingredient pet treats in bulk bags.

On behalf of our awesome team - and our resident taste-testers, Ginni and Hayley - I thank you for your continued support, and I hope our treats continue to bring smiles to you and your pets.

Andrew
